Programme Board Progress									
Programme Board	Project Ref	Project Name	RAG	Gateway passed	Status	Start Date	End Date	Commentary	Decisions for escalation or noting
Primary Care Reform	PCR003	Primary Care Triage	Amber	2	Delivery	01/04/19	30/03/20	<ul style="list-style-type: none"> <li>Amber status: current forecast of 83000 population coverage is a revision of the initial 100k target as agreed by EMT strategy group. Service adoption pipeline agreed with East Lothian and D&amp;G partners is in line with target, but detailed implementation plans are to be agreed.</li> <li>Extraordinary meeting of East Lothian Senior Steering Group scheduled for 13<sup>th</sup> Nov to discuss the now delayed implementation of the multi-practice Hive model with shared Multidisciplinary Team.</li> <li>Technology requirements reviewed 21<sup>st</sup> Oct; requirements circulated for review</li> <li>Business model work in progress – focusing on PCT staffing, technology enablement and implementation support. A workshop session is being planned to enable a focussed piece of work with key outputs and deliverables aligned to an improved and sustainable service delivery model.</li> <li>Following a commission from SG, a business case proposal is in development which would see the introduction of an additional system-wide role for NHS 24 in enabling clinical triage training to be delivered locally according to need. This work is expected to be concluded by December.</li> <li>A procurement process is underway to secure academic resource for the formal evaluation of PCT. Tenders are expected to be received and shortlisted early in the New Year.</li> </ul>	N/A
	PCR004	Primary Care Digital Services	Green	2	Delivery	01/12/17	31/03/20	<ul style="list-style-type: none"> <li>PCDS is refining elements of the base site for piloting with GPs. This will then be user tested</li> <li>Recruitment of pilot sites has commenced. Response has been received from over 20 sites which will fulfil original target.</li> <li>As the PCDS minimal viable product consumes 95% of its content from NHS inform, it follows that it should closely resemble NHS inform design. This development work has caused some slippage to timelines, however on track for March 2020 deadline</li> </ul>	N/A
	PCR001	BHF Managing Hypertension	Green	2	Delivery	01/01/18	31/12/19	<ul style="list-style-type: none"> <li>British Heart Foundation set GP practice and citizen recruitment targets, now achieved.</li> <li>Project ceases at the ends of December 2019, with NHS 24 withdrawing project management early 2020</li> <li>The 3 partner Health Boards will continue the work after this time</li> <li>158% of GP practice recruitment target met (79 from 50)</li> <li>115% of citizen recruitment target met (3440 from 3000)</li> </ul>	<b>Noting:</b> Gateway 3 (closure report) to be circulated for agreement Dec '19/Jan '20
	PCR002	Scotland's Service Directory	Green	2	Delivery	01/07/17	31/08/20	<ul style="list-style-type: none"> <li>Embedding work in final stages of testing, due to be completed &amp; Live 4<sup>th</sup> Nov – meaning access will be available for all HSCPs or other websites to take SSD content and display on their site.</li> <li>Presentation to National Chief Officers group to get wider buy in as currently have 19 included on SSD and 12 HSCPs not fully engaged (various stages)</li> <li>Cancer planning session held to ensure SSD meets the initial requirements of Macmillan, to ensure a directory of services is available, governed and can be used by cancer practitioners when completing a Holistic Needs Assessment with People Affected by Cancer. Additional workshops to be held.</li> </ul>	N/A
	SM101	Advanced Clinical Support	Amber	1	Delivery	01/07/17	30/09/20	<ul style="list-style-type: none"> <li>4 ANPs have now qualified, 2 are still in training, another 3 have been recruited to start in February 2020</li> <li>Teleprescribing test of change ongoing with one pharmacist but will be extended to another pharmacist and qualified ANPs within Nov/Dec 2019.</li> </ul>	<b>Noting:</b> PID for project drafted ready for approval at Service Model Programme Board, currently being circulated to ACS implementation group members.
